۹	متن زیر را بخوانید، سپس جدول را کامل کنید. Oceans and lakes have much in common, but they are also quite different. Both are bodies of water, but oceans are very large bodies of salt water, while lakes are much smaller bodies of fresh water. Lakes are usually surrounded by land, while oceans are what surround continents. All oceans are connected to each other, but a few lakes are connected to the sea by some rivers. Both have plants and animals living in <u>them</u> . The ocean is home to the largest animals on the planet, whereas lakes support much smaller forms of life. Also, both of them have been used as waterways to carry goods and passengers for years. (سؤالات این بخش در صفحه ۳)

	One way to figure out the meaning of an unknown word is looking for its relationship with other words in the same family. Even if you cannot figure out the exact meaning, your understanding can be enough to allow you to read on. For example, in this sentence: "We provide you with some helpful information on how to use a dictionary more effectively" you can get an idea of the meaning of the word 'effectively' by recognizing that it is related to the word 'effect'.		
	In this technique which is also known as word attack, looking for word parts can help you understand the meaning of complicated words. When you recognize prefixes and suffixes and know what they mean, it will help you work out the meaning of many words you read.		
	★ True / False		
	41. Figuring out the exact meaning of words is necessary for understanding.	a. True b. False	
	42. The words 'effect' and 'effectively' are from the same word family.	a. True b. False

	Our parents are the best people in our lives. They take care of us, provide us with love and support and teach us important things from the moment we are born; they are so generous that spend their time and energy for our health. They wake up early in the morning to prepare our breakfast and make us ready for school. They work hard to provide us with a comfortable home, healthy food, and better education. We should be grateful for their kindness as they deserve to be respected.		
	We have much to learn from our parents regarding our heritage, to be proud of our past. This heritage brings a sense of belonging. Most importantly, it brings a sense of identity of our past and responsibility to protect it for our future generations. The role of our parents' morals, values and principles is very important in our lives. Our parents want the best for us as they love us unconditionally. They are willing to tell us what set of rules and guidelines have made them successful and peaceful.		
	★ True / False		
	46. Parents help their children learn important things from birth.	a. True b. False	
	47. Our parents love us because they want us to be with them unconditionally.	a. True b. False
